Dear Mr. Braxton:

We have basically completed our responses to the deficiencies for the renewal of our M&RP for Skyline Mines. We are not aware of any unresolved outstanding issues dealing with this renewal process.

I have signed the two original copies of our acceptance of the requirements for the renewal of permit ACT/007/005 for the Skyline Mine, and are returning one for your files. We have retained the other original for our files.

I have also enclosed a signed reclamation agreement Exhibits "A" and "B".

I appreciate the cooperation of your office in this renewal effort.

Sincerely,

Vernal J. Mortensen
